Admission under BITS-RMIT Higher Education Academy

Dear Aspirants:

The BITS-RMIT Higher Education Academy is a ground-breaking partnership between two leading universities in India and Australia.

All candidates who have appeared in BITSAT-2024 can also choose the BITS-RMIT Higher Education Academy mode of admission. They can apply for admission to the following programs based on their BITSAT-2024 score.

- B.E. Civil at BITS Pilani and Bachelor of Engineering (Civil and Infrastructure) (Honours) at RMIT, Australia
- B.E. Mechanical at BITS Pilani and Bachelor of Engineering (Mechanical) (Honours) at RMIT, Australia
- B.E. Electrical & Electronics at BITS Pilani and Bachelor of Engineering (Electrical Engineering) (Honours) at RMIT, Australia
- B.E. Electronics & Communication at BITS Pilani and Bachelor of Engineering (Electronic and Computer Systems Engineering) (Honours) at RMIT, Australia
- B.E. Computer Science at BITS Pilani and Bachelor of Engineering (Software Engineering) (Honours) at RMIT, Australia

The Academy provides students the chance to study at two globally recognized institutions and receive two degrees to be awarded separately and simultaneously from both the universities, BITS Pilani and RMIT Australia. The BITS-RMIT Higher Education Academy provides students an affordable pathway to two world-class degrees. For admission under BITS-RMIT Academy, candidates are required to apply separately not only through the following Link: <https://rmit.service-now.com/rmit-apply/> latest **by 8.30 am (IST) Wednesday July 10th 2024** but also through BITS Admission application portal **by 2 July 2024** to BITS application portal. Please note that your application must be submitted at both the portals before the deadline set by the respective Universities given above.

Notes for RMIT application:

- If you have preferred the academy, you **must** apply to RMIT immediately and not wait for BITSAT results.
- Apply through the [RMIT website](#)
- An instruction guide for completing your application can be found [here](#).
- Whilst selecting citizenship on your application form, refer to *page 4* of the attached guide and select 'RMIT online.'
- Ensure you follow the instructions on *Page 11* of the guide, on uploading supporting documents. This is an important step and you may not be able to proceed without completing this step.
- You will need to meet entry requirements for RMIT University as well as achieving required BITSAT-2024 score. Refer to BITS RMIT Higher Education Academy website <https://bitsrmit.in/> for the detailed information on admissions requirements, including the English language requirements.
- RMIT will reimburse 50% of the English proficiency test cost up to a maximum value of 8500 INR, for any candidates who are successfully enrolled into an Academy program in 2024 intake. Please refer to RMIT website for a list of English proficiency tests that RMIT accepts.

- If you haven't registered to sit an English language proficiency test (such as the IELTS, TOEFL, Pearson Test of English (Academic)), book your test as soon as possible. You may submit your application before you receive your English proficiency test results, but you will need to provide these at a later date. Please check document requirements such as Indian passport and test processing times with respective testing organisations.
- To assess your eligibility as a genuine student you are required to complete a selection task. This task may only appear against your application overnight (Australian time). Please ensure you check back in approx. 24 hours from when you submit the application to complete this step. It is important you complete this step to ensure your application is completed in full.

More details about Admissions under BITS-RMIT Academy can be found at <https://bitsrmit.in/>

With best wishes,
Ajit Pratap Singh
Dean Academics-Undergraduate Studies, BITS Pilani
