

BITS RMIT

Higher Education Academy

The BITS-RMIT Higher Education Academy is a ground-breaking partnership between two leading universities in India and Australia.

You will have the unique opportunity to immerse yourself in diverse cultures and gain a truly global perspective. Study at BITS for the first half of your degree, then finish at RMIT in Melbourne. Our innovative curriculum combines the strengths of both academic environments, offering an outstanding education that prepares you for success in today's rapidly changing world.

Programs offered through BITS RMIT Higher Education Academy

Fees

Tuition fees in years one and two of the dual degrees are payable to BITS Pilani.

Annual tuition fees for students commencing 2023 are:

- **Year 1 (2023) INR 750,000**
- **Summer Term after Year 1 (2024): INR 131,250 (Additional)**
- **Year 2 (2024) INR 787,500**

Other additional non-tuition fees can be found on the BITS Admission website.

For courses undertaken in Melbourne in years 3 and 4, students pay standard international students fees for the programs.

- **Year 3 (2025): 43,200AUD (2024 rate)***
- **Year 4 (2026): 43,200AUD (2024 rate)***

* RMIT may adjust tuition fees at the beginning of each calendar year. RMIT may increase tuition fees by no more than 7.5% each calendar year (subject to rounding). Information regarding other costs such as amenities fees, Overseas health insurance and costs of living can be found on the RMIT Australia program guide

Future Leaders Scholarship

BITS-RMIT Higher Education Academy students are eligible for the RMIT Future Leadership Scholarship for components of the program delivered at RMIT Australia. The scholarship value is a 20% tuition fee reduction for the program duration outlined in your offer letter for courses delivered at RMIT in Melbourne.
